- You can choose one (1) or more gift tags.
- The spending limit is no more than \$50.00 per gift

If you find you are unable to fulfill the gift tags please return the tags to the Giving Tree.

Please return the wrapped gifts along with the tags to Troy PD or the Minute Mart no later than December 20, 2024.

Dear Parents/Guardians:

We ask you that children be 15 years old and younger. If children reside at multiple residences, for example a mom and dad with 50/50 custody, please fill out only one (1) Giving Tree Christmas Gift list per child. Each household will not be eligible.

Please help your children pick gifts that do not exceed \$50.00 dollars. This will help enable more families and people to be able to contribute.

We do ask for the age of the child, their clothing/shoe sizes if they ask for clothes, as well as the gender of the child.

We ask, if possible, to list three (3) gifts they may want. This will ensure that Santa has options should one of the items be difficult to make at the shop.

We ask that all of Santa's Christmas Lists be dropped off to the Troy Police Department in Santa's mailbox no later than November 30, 2024.
