

Cemetery Department Minutes

November 6, 2024

Members present: Matthew Whooley and Diane Lepisto

Meeting called to order at 10:00 am.

George Skip Mason has told up he will not return next year. Should we hire someone now or wait to find his replacement in the Spring? Do we need a full-time person?

It was decided that we did not need a full-time person and we would ire in the Spring.

We do realize we must increase the Cemetery workers pay. Matthew feels that \$25.00 per hour would be reasonable and a helper's pay should be \$20.00 per hour.

We went through the budget and determined next years proposal. Diane made

A motion to accept and Matthew seconded. Diane will print out new sheet.

Matthew feels we should increase the Trustees salary to \$2150.00. No discussion

On this matter. Meeting closed at 11:25 am.

Respectfully submitted

Diane Lepisto
