## **RULES AND REGULATIONS OF THE CEMETERIES**

### **PURPOSE**

Plot holders in all cemeteries often misunderstand the purpose and function of cemetery rules and regulations and the important part they play in the beautification and preservation of the grounds. Too often people are inclined to resent what they term “restrictions on my rights and privileges.” It is important that residents realize that the cemetery rules are for the protection of the plot holders and a safeguard from misdirected sentiment of those who might erect unsightly memorials or otherwise impair the dignity and beauty of the cemetery.

For the protection and benefit of lot holders, the following Rules and Regulations have been adopted as the Rules and Regulations of the Troy Town Cemeteries. All lot holders and visitors within the cemeteries and all lots assigned to individuals shall be subject to these Rules and Regulations and amendments or alterations as shall be adopted from time to time by the Board of Selectmen.
