

SELECTMEN'S OFFICE

Troy, New Hampshire

ORDINANCE

By the authority of the passing of Article 33 of the Town Warrant at the Town Meeting of March 1978 the following ordinance is enacted:

All dwellings constructed after July 1, 1978 must have smoke detectors installed in the house before occupancy. All existing multiple family dwellings must have smoke detectors installed in each separate rental unit by July 1, 1979.

"Advice" for installation can be received from the Troy Fire Chief or Deputies. The Fire Chief or his deputies must inspect the new building when finished to assure compliance with this ordinance.
