

TROY TRANSFER STATION FEE SCHEDULE

EFFECTIVE AUGUST 1ST, 2024

NOW ALSO OPEN TUESDAYS FROM NOON-6PM, IN ADDITION TO FRIDAY & SATURDAY

While most of the Transfer Station's activities are funded by taxes, the transfer station charges disposal fees to offset the extra costs of processing certain items. Fees are payable by cash only at drop off.

Residents of Troy must buy the trash bags that the Transfer station sells. A roll of small bags is 8 dollars, and a roll of large bags is 15 dollars. Trash not in Town of Troy labeled bags will be charged 4 dollars per bag. No exceptions.

A Transfer Station Vehicle Sticker will now cost \$20 each, which is good for two years. These will be available for sale at the Town Clerk's Office and at the Transfer Station.
